ARTICLE I.

NAME.

This Association shall be called "THE NATIONAL LEAGUE OF PROFESSIONAL BASE BALL CLUBS."

ARTICLE II.

OBJECTS.

The objects of this league are:

1st. To encourage, foster, and elevate the game of base ball; to enact and enforce proper rules for the exhibition and conduct of the game, and to make base ball playing respectable and honorable.

2d. To protect and promote the mutual interests of professional base ball clubs and professional base ball players; and

3d. To establish and regulate the base ball championship of the United States.

ARTICLE III.

MEMBERSHIP.

SECTION 1. This League shall consist of the following named professional base ball clubs, namely:

- Boston B. B. Association, of Boston, Mass.
- Buffalo B. B. Association, of Buffalo, N. Y.
- Chicago Ball Club, of Chicago, Ill.
- Detroit B. B. Club, of Detroit, Mich.
- Cleveland B. B. Club, of Cleveland, Ohio.
- Providence B. B. Association, of Providence, R. I.
- Troy B. B. Association, of Troy, N. Y.
- Worcester B. B. Club, of Worcester, Mass.

And such other professional base ball clubs as may from time to time be elected to membership.

SEC. 2. No club shall be admitted from either of the cities above named other than the clubs mentioned, except in the event that either of such clubs shall lose its membership, and in no event shall there be more than one club from any city.

SEC. 3. No club shall be admitted from any city whose population is less than seventy-five thousand (75,000), except by unanimous vote of the League.

SEC. 4. No club shall be admitted unless it shall first have delivered to the Secretary of the League, at least five days before the annual meeting, a written application for membership, signed by its President and Secretary, accompanied by documents showing that such club bears the name of the city in which it is located, and that it is regularly organized and officered, and where the State law permits it, chartered. Such application shall at once be transmitted by the Secretary to the President of the League, who shall forthwith refer it to a committee of three members of the Board of Directors, appointed by him, who shall immediately investigate and report upon said application; said report to be communicated to the League through the Secretary.

SEC. 5. The voting upon an application for membership shall be by white and black balls. Two black balls shall be sufficient to exclude the applicant, and no club shall be required, under any circumstances, to state how it voted upon such application. Such election shall take place at the annual meeting of the League: *Provided*, That should any eligible club desire to join the League after the adjournment of the annual meeting, and before March 1st following, it may make application in writing to the Secretary of the League, who shall at once communicate such application, together with any facts in his possession concerning such applicant, to the President of the League, who shall refer it to a special committee of the Board, as provided in Section 4 of this Article; and upon receipt by the Secretary of the report of said committee, he shall transmit such application and report to all League clubs, each of whom shall within ten days, transmit one written ballot, for or against the admission of such applicant, to the Secretary, and if two adverse ballots be not cast, then the Secretary shall, upon receipt of the annual dues, notify such club of its election.

SEC. 6. In case any League club shall forfeit its membership during the championship season, the Board of Directors shall elect a club member of the League Alliance to temporary membership in the league, which election shall entitle such temporary club member, without the payment of League club dues, to play all the championship schedule games remaining unplayed by the retired League club, upon the same terms and conditions as League clubs, except that such games shall not count in the championship series, and such temporary membership shall terminate with the expiration of the championship season.

SEC. 7. The umpires, managers and players employed by the clubs belonging to this League shall be considered and treated as members hereof to the extent of being always amenable to the provisions of this Constitution, and entitled to all its privileges in matters of dispute, grievance or discipline, as provided in this Constitution.

SEC. 8. The clubs and players of the League Alliance are hereby declared to be honorary members of this League.

SEC. 9. The membership of any League club shall be forfeited:

1. By voluntary withdrawal.
2. By disbandment.
3. By offering, agreeing, conspiring, or attempting to lose any game of ball, or failing to immediately expel any player who shall be proven guilty of offering, agreeing, conspiring or attempting to lose any game of ball, or of being interested in any pool or wager thereon.
4. By taking part in any game of ball on Sunday, or allowing any game of ball to be played upon its grounds on Sunday, or failing to immediately expel any person under contract with it who shall at any time during the term of his service, take part as umpire, player, or scorer in any game of ball on Sunday.
5. By selling, or allowing to be sold, upon its grounds or in any building owned or occupied by it, at any time during the championship season, any spirituous, vinous, or malt liquors.
6. By allowing open betting, or pool selling, upon its grounds, or in any building owned or occupied by it.
7. By employing or presenting as umpire, manager or player, any person disqualified or ineligible under any provision of this Constitution.
8. By playing any game of ball with any club that is disqualified or ineligible under any provision of this Constitution.
9. By failing to present its nine at the time and place agreed upon to play any championship game, unless the failure be caused by an unavoidable accident in traveling.
10. By failing to pay to the visiting club the amount due such club under the provisions of Article X, Section 8, of this Constitution.

11. By failing to pay its annual dues on or before the first day of May of each year.

12. By failing or refusing to comply with any lawful requirement or order of the Board of Directors.

13. By wilfully violating any provision of this Constitution, or of the Playing Rules adopted hereunder.

SEC. 10. The Honorary membership of any League Alliance club shall be forfeited:

1. By voluntary withdrawal.

2. By disbandment.

3. By failing to pay its annual dues.

4. By failing to pay to the League club the amount due such club under the provisions of Article X, Section 11, of this Constitution.

5. By any violation of any of the provisions of Article VII, of this Constitution.

SEC. 11. The membership of any umpire, manager or player of this League or of the League Alliance, shall be forfeited upon the disqualification of such umpire, manager or player, under any of the provisions of this Constitution.

SEC. 12. To carry into effect the provisions of Sections 9, 10 and 11 of this article, the facts in any case covered by such sections must be reported to the Secretary of the League, who shall at once telegraph the party charged with the specified offence, inquiring whether any dispute exists as to the facts alleged. In case the facts are disputed, the Board shall at once try the case under such regulations as they may prescribe, and submit their findings to each League club, which shall transmit to the Secretary written ballots "For Expulsion," or "Against Expulsion," and if two-thirds of all League clubs vote "For Expulsion," the secretary shall notify all League and League Alliance clubs of the forfeiture of membership of the party charged, and every club shall, on and after the receipt of such notice, govern its intercourse with such expelled member by the prohibitions and penalties pre-

scribed by this Constitution. *Provided*, (1) In all cases where the facts do not admit of dispute (as in case of non-payment of dues), or where no reply to the Secretary's dispatch to the party charged with the offence is received by him within twenty-four hours, or where the facts are not disputed, the Secretary shall forthwith issue his notice of forfeiture of membership without submitting the matter to the Board or to the League; (2) In all cases where the League Alliance alone is concerned, the vote of League Alliance instead of League clubs shall be obtained.

SEC. 13. Any club, umpire, manager or player, having forfeited membership, shall not be readmitted except by unanimous vote of the League.

ARTICLE IV.

DUES.

SECTION 1. Every League club shall pay to the Secretary of the League, on or before the first day of May of each year, the sum of One Hundred Dollars, as annual dues.

SEC. 2. Every League Alliance club shall pay to the Secretary of the League, as annual dues for the current year, on joining the League Alliance, and thereafter yearly, on or before the first day of May, the sum of twenty-five dollars.

ARTICLE V.

OFFICERS.

SECTION 1. At its annual meeting, the League shall elect a President by ballot. The President shall be *ex-officio* chairman of the Board of Directors. He shall preside at all meetings of the League, and shall call special meetings of the League when he may deem it necessary, or when thereto requested by half of the clubs of the League.

SEC. 2. The affairs of this League shall be conducted and controlled by five Directors, who shall constitute "The Board," and who shall consist of the President and four members, to be chosen at the annual meeting in the following manner: The name of each club except that of which the President is a member, shall be plainly written upon a card, in full view of the delegates present, by the Secretary; the cards to be of the same size, shape, color, and material. The cards shall then be placed in some suitable receptacle and well shaken together; thereupon four of these cards shall be drawn successively, and at random, and one delegate from each of the four clubs whose names are so drawn, shall, with the President, compose the Board, and if any club whose name is thus drawn be represented by two delegates, such delegation shall name one of its number to be a member of the Board.

SEC. 3. No person shall be qualified to act as Director who is not an actual member of the club he represents; nor shall any club, under any circumstances, be represented by more than one person on the Board.

SEC. 4. The Board shall have the general supervision and management of all the affairs and business of the League, and shall be individually answerable to the League for the faithful discharge of their trust.

SEC. 5. The Board shall meet annually on the evening of the first Tuesday in December, at the place where the annual meeting of the League is to be held, but may hold special meetings whenever urgent necessity may require.

SEC. 6. The Board shall prepare a detailed report of all their doings, and present the same, in writing, to the League, at its annual meeting, which report shall, if accepted, be filed with the Secretary, together with all official papers, documents and property which may have come into their possession by virtue of their office.

SEC. 7. Any Director who shall disclose or publish any of the proceedings of the Board, except officially through

the report of the Board, or when called upon by vote of the League, shall forfeit his office.

SEC. 8. In case of a vacancy in the Board by reason of the death, resignation, absence, or disqualification of any Director, the club of which he was a member at the time he was chosen shall designate his successor, and at once notify the Secretary. But if such vacancy is caused by the withdrawal, disbanding or disqualification of a club represented on the Board, the Board may fill the vacancy by election in the same manner as provided for the election of Directors in Section 2 of this article.

SEC. 9. The Board shall elect a gentleman of intelligence, honesty and good repute, who is versed in base ball matters, but who is not in any manner connected with the press, and who is not a member of any professional base ball club, either in or out of the League, to be the Secretary of the Board, and of the League.

SEC. 10. The Secretary shall be the Treasurer of the League, and as such shall be the custodian of all funds of the League, receive all dues, fees and assessments, make such payments as shall be ordered by the Board, or by vote of the League, and render annually a report of his accounts.

SEC. 11. The Secretary shall have the custody and care of the official records and papers of the League; shall keep a true record of all meetings of the League and the Board, shall issue all official notices and attend to the necessary correspondence; he shall prepare and furnish such reports as may be called for by the Board, and shall be entitled to such books, stationery, blanks and materials as the actual duties of his office may require.

SEC. 12. The Secretary shall receive such salary as the League, by vote, shall determine, and shall be reimbursed for all traveling expenses actually incurred by him in the service of the League; and the Board may exact from him such guarantees for the faithful performance of his duties as they may deem for the interest and safety of the League. At the expiration of his term of

office, he shall account for and deliver up to the Board all the property and papers which may have come into his hands by virtue of his office.

ARTICLE VI.

LEAGUE CLUBS, UMPIRES, MANAGERS AND PLAYERS.

SECTION 1. Each club belonging to this League shall have the right to regulate its own affairs, to make its own contracts, to establish its own rules, and to discipline, punish, suspend, or expel its own manager, players or other employes, and these powers shall not be limited to cases of dishonest play or open insubordination, but shall include all questions of carelessness, indifference, or other conduct of the player that may be regarded by the club as prejudicial to its interests: *Provided*, That nothing shall be done in violation of, or contrary to this Constitution or the Playing Rules.

SEC. 2. Every club member of this League shall have exclusive control of the city in which it is located, and of the territory surrounding such city to the extent of four miles in every direction from its corporate limits, and no visiting League club shall, under any circumstances—not even with the consent of the local League club, until all League championship games on that ground shall have been finished, be allowed to play any club in such territory other than the League club therein located.

SEC. 3. Any agreement between a club and a manager or player for services by the manager or player, and compensation therefor by the club, must be executed in the form of contract adopted by the League, and the Secretary of the League shall, upon application, furnish each League club a suitable supply of the printed forms of contract adopted by the League, and no player not under such contract shall be eligible to play in a League game, except that in case a player shall meet with an accident, or be expelled by his club, any player who is not otherwise disqualified, under the provisions of this Con-

stitution, may take the place of such expelled or injured player, but such player shall not be eligible to play for more than five consecutive days without the contract and notice thereof required by this Article.

SEC. 4. It shall be the duty of a club, as soon as it shall have entered into a contract with a manager or player, to transmit said contract to the Secretary of the League. If the Secretary shall find the contract to be in the form adopted by the League, he shall indorse upon it his certificate to that effect, together with the date of its receipt by him, and at once return it to the contracting club.

The Secretary shall also enter upon his records the names of the contracting club, and manager or player, and immediately notify all other League clubs of such contract. In no case shall the Secretary give such certificate or give notice of such contract unless it comply, in all respects, with the form of contract adopted by the League, and no contract shall be regarded as valid or binding until it bears the Secretary's certificate as herein provided.

SEC. 5. Whenever a club releases a manager or player from his contract, or suspends or expels him, that club shall at once notify the Secretary of the League in writing, stating, in case of suspension or expulsion, the cause thereof, and the Secretary shall forthwith notify all other clubs.

SEC. 6. A manager or player who has been released from his contract without suspension or expulsion, may engage with any other club twenty days from the date of the reception by the Secretary of the notice of such release.

SEC. 7. A manager or player whose contract has become void by reason of his club's disbanding, withdrawing from or losing its membership in the League, may immediately engage for the remainder of the season with any other League club.

SEC. 8. No manager or player who has been suspended

or expelled from a League club shall, at any time thereafter, be allowed to play with or serve any League club (either the one expelling him or any other) unless the term of suspension has expired, or upon his appeal to the Board, such suspension or expulsion shall have been set aside.

SEC. 9. No club shall employ as umpire, manager, scorer, or player, any person who has wilfully violated any provision of this Constitution, or of the Playing Rules, or who has been expelled from any club belonging to this League, or who shall be disqualified from playing with a club under any provision of this Constitution.

SEC. 10. No game of ball shall be played between a League club and any other club that has forfeited its membership in this League. No game of ball shall be played between a League club and any other club employing or presenting in its nine a player expelled, or under suspension, from the League. Nor shall any League club play any club that has, at any time during the same playing season, played a game of ball with any other club employing or presenting in its nine any player expelled or suspended from the League: *Provided*, That in case the club employing such expelled or suspended League player shall discharge such player from its service, League clubs may thereafter play against such club, and against other clubs that may have played such club while employing such player.

SEC. 11. Any manager or player, under contract with a League club, who shall without the written consent of such club, leave its service, or who shall be proven guilty of offering, agreeing, conspiring, or attempting to lose any game of ball, or of being interested in any pool or wager thereon, shall be at once expelled by such club.

SEC. 12. Any person under contract with a League club, who shall be guilty of drunkenness or insubordination, or of any dishonorable or disreputable conduct (except the offences requiring expulsion specified in Section 11) may be suspended by such club for the remainder of the

playing season, or for the remainder of that and all of the ensuing playing season, at the option of such club; and, during the period of said suspension, such player shall be disqualified from playing in or against any League club.

SEC. 13. Any person who shall be proven guilty of offering, agreeing, conspiring, or attempting to cause any game of ball to result otherwise than on its merits under the playing rules, or who, while acting as umpire, shall wilfully violate any provision of the Constitution, or of the Playing Rules adopted hereunder, shall be forever disqualified from acting as umpire of any game of ball participated in by a League club.

ARTICLE VII.

THE LEAGUE ALLIANCE.

SECTION 1. Clubs whose organization and conduct are not inconsistent with the objects of this League, as expressed in Article II of this Constitution, and who are also eligible under the provisions of this Article, and who shall have filed with the Secretary of the League an agreement duly executed in the following form, shall be recognized as constituting "The League Alliance."

SEC. 2. FORM OF "LEAGUE ALLIANCE" AGREEMENT.

It is hereby Agreed by the Parties hereto, as follows:

1. No club that is a party hereto shall employ or play in its nine any player to whose services any other club that is a party hereto, may be entitled by contract.

2. Any player under contract with any club that is a party hereto, who shall, without the written consent of such club, leave its service, or fail to perform his contract, or who shall be proven guilty of disreputable conduct, shall be at once expelled by such club.

3. No club that is a party hereto shall play any game of ball with any base ball club whatever that shall employ or present in its nine any player that shall have been ex-

pelled from any club that is a party hereto for breach of contract or disreputable conduct.

4. Each club that is a party hereto shall, upon making a contract with a player, *immediately* notify the Secretary of the National League of Professional Base Ball Clubs, such notice to be in writing, signed by the contracting club and the player, and, *in the absence of such notice to such officer, any player shall be deemed to be free from contract obligation.*

5. Each club that is a party hereto shall, upon *expelling a player from membership, or releasing him from contract*, notify the Secretary of the National League of Professional Base Ball Clubs, and in the absence of such notice to such officer, such player shall be deemed to be a member in good standing of the club whose notice of contract with such player had previously been transmitted to such officer, until the expiration of the term of such contract.

6. The notices provided for in the last two preceding stipulations are required to be sent to the Secretary of the League, upon the understanding that such officer will, immediately upon their receipt, communicate the same to all League clubs, as well as to all clubs that are parties to this agreement; and in the event of a failure or refusal of such officer to perform such service, or his discontinuance thereof, then the parties hereto shall devise other means for the performance of such service.

7. All games played by the clubs that are parties hereto shall be played in accordance with the Playing Rules of the National League.

8. All disputes that may arise between the clubs that are parties hereto may be submitted to the Board of Directors of the National League for adjudication, in the manner provided for by Section 4, Article VII, of its Constitution, and the finding of such tribunal shall be final and binding upon the clubs that are parties hereto.

9. This agreement shall go into effect and be binding upon each club upon the date of its signature by such club.

10. Each club that is a party hereto shall retain a copy of this agreement, and the original shall be deposited with the Secretary of the National League.

IN WITNESS WHEREOF, The clubs that are parties hereto have, by their duly authorized representative, signed this agreement on the dates entered opposite their respective signatures.

By

18

The Secretary of the "National League of Professional Base Ball Clubs" is hereby authorized to attach the foregoing instrument, bearing our signature, to the original written agreement, of the said text now in his custody, for the purpose of making the same a part and parcel of such original agreement, binding ourselves and all other club parties thereto.

By

18

(See also Article IV, Section 2.)

SEC. 3. The Secretary shall issue to all League and League Alliance clubs the notices referred to in the sixth clause of the League Alliance agreement, and shall perform such other duties as may devolve upon him in furtherance of the provisions of said agreement.

SEC. 4. The Board shall, if thereunto requested by League Alliance Clubs, adjudicate disputes in the manner provided in Article VIII, so far as the provisions of that Article may be applicable thereto; *Provided*, That all communications must be addressed to the Secretary of the League.

SEC. 5. No League Club shall employ or play in its nine any player to whose services any League Alliance Club is entitled by contract evidenced by written notice to the Secretary, signed by the contracting club and the player.

SEC. 6. The League shall, at its annual meeting, receive and consider any communication from a club or clubs of the League Alliance on matters affecting the in-

terests of such club or clubs, and shall give a hearing to any delegation or delegations therefrom.

SEC. 7. The Secretary shall receive and place on file the score of any game played between two League Alliance Clubs that may be forwarded to him, bearing the certificate of the umpire of such game, and stating the names of each club, the number of runs made by each, and number of innings played, and at the close of the season, the Secretary shall prepare a tabular statement of such games, according to the statement so sent him (which statement shall be the sole evidence in the matter), and submit the same, with the statements so sent him, to the Board, who shall award the League Alliance Championship to the club which shall have won the greatest number of such games. The Board shall make the award in writing, and report the same to the League at its annual meeting, and the League shall, thereupon, present such club with a suitable emblem of such championship.

SEC. 8. No club that has forfeited its membership in the League, or that is connected with any organization of clubs other than the League or League Alliance, or that presents in its nine any player expelled from the League or League Alliance, shall be entitled to the benefits of this Article, and the Secretary shall notify all League and League Alliance clubs of any forfeiture of such benefits that may be incurred by the violation of any provision of this Article.

ARTICLE VIII.

DISPUTES AND COMPLAINTS.

SECTION 1. The Board of Directors shall be the sole tribunal to determine disputes between clubs; the facts to be submitted, and the dispute adjudicated under such regulations as the Board shall prescribe in each case. The finding of the Board shall be final, and under no circumstances shall be reconsidered, re-opened or inquired into, either by the League or any subsequent Board.

SEC. 2. The Board shall at once consider any complaint preferred by a club against a manager or player of another club for conduct in violation of any provision of this Constitution or prejudicial to the good repute of the game of base ball, and shall have power to require the club to which such player may belong to discipline him, and, upon repetition of such offense, to expel him: *Provided*, That such complaint be preferred in writing, giving such particulars as may enable the Board to ascertain all the facts, and be transmitted to the Secretary, by whom it shall at once be referred to the Board.

SEC. 3. The Board shall also be the sole tribunal for the hearing of an appeal made by any person who shall have been expelled or suspended by his club, or for an alleged breach of contract. The matter shall be proceeded with in the following manner: Such person shall file with the Secretary a written statement of his defense, accompanied by a request that an appeal be allowed him. The Secretary shall notify the club of the request for an appeal, accompanying such notice with a copy of the appeal, and, at the next annual meeting, the club, and the person expelled or suspended, shall appear before the Board with their testimony. The Board shall impartially hear the matter and render their decision, which shall be *final* and forever binding on both club and player.

SEC. 4. No Director shall sit in the trial of a cause in which his club is interested.

SEC. 5. Any expenses of trials or arbitrations shall be borne equally by the parties to the controversy.

ARTICLE IX

PLAYING RULES.

The League at its first meeting shall adopt a code of Playing Rules, which shall continue in force, subject only to such alterations or amendments as may be made at subsequent annual meetings of the League.

ARTICLE X.

CHAMPIONSHIP.

SECTION 1. The *Championship of the United States*, established by this League, shall be contended for yearly by the clubs composing this League.

SEC. 2. The *championship season* shall extend from the 1st day of May to (and including) the 1st day of October, and no game shall count in the championship series unless played during the championship season.

SEC. 3. Every game played between two clubs from the commencement of the championship season to the completion of the championship series, between such clubs, shall be a game for the championship (unless played on Sunday), and no League club shall lend or exchange players, to or with each other, for any game played during the championship season.

SEC. 4. Each club shall play the following number of championship games (and no more) with every other club: If six clubs be members of the League on the first day of the championship season, sixteen games; if eight clubs, twelve games; *Provided*, however, that if any game be prevented by rain, or if a tie or drawn game be played, the visiting club shall play off such tie or drawn game, or game prevented by rain, on the first succeeding day (not counting Sundays, days previously agreed upon for championship games between said clubs, or days when rain renders playing impossible), unless such succeeding day must necessarily be occupied by such visiting club in traveling to another city to play a championship game with another League club upon a day fixed by the championship schedule, in which latter case only, the visiting club shall not be required to extend its stay, or to again visit such city for the sole purpose of playing off such tie or drawn game, or game prevented by rain.

SEC. 5. Each club shall be entitled to have half of the championship series of games with every other club played on its own grounds, and in all the details of such

games that do not involve the rights of the visiting club under the Playing Rules, but relate solely to such games as attractive exhibitions to the patrons of the home club, the visiting club shall defer to the wishes of the home club, and the visiting club shall furnish to a person designated by the home club the batting order of its nine by nine o'clock on the morning of the day of each game.

SEC. 6. All championship games shall be arranged for in writing, and so as to complete the championship series by the expiration of the championship season. Such written arrangement shall be made by such method as the League shall direct, before the beginning of the championship season, and shall consist of a schedule and agreement relating thereto, which agreement shall be signed by every League club, and the schedule and agreement filed with the Secretary of the League, and a copy thereof, bearing his certificate as to its correctness, furnished by the Secretary to every League club. The schedule shall provide for an equal number of return games, and specify the date of each game, and the dates of each series of games. No date in said schedule shall subsequently be changed, except (1) by written agreement of two clubs, from a date fixed by the schedule for a game between such clubs, to another day within the dates of the same schedule series between such clubs; or (2) as provided in Section 4 of this Article; or (3) by the written consent of all the League clubs.

SEC. 7. The price of admission to championship games shall be fifty cents for each adult person, and no money or tickets paid for admission shall be refunded in any case in which the game is prevented or interrupted by rain.

SEC. 8. At the conclusion of each championship game, the home club shall transmit by mail to the proper officer of the visiting club, a statement of the receipts of said game, and shall pay to the authorized agent of such visiting club the sum of fifteen (15) cents for each and every person admitted to the grounds to witness such

game or any part thereof, or admitted to the grounds for any other purpose during or prior to such game, or the hour appointed therefor; excepting only players of the contesting clubs, and policemen in uniform.

The number of persons admitted to the grounds shall be determined by the use of the necessary number of self-registering turnstiles, the keys of which shall be delivered to the agent of the visiting club before the opening of the grounds for each game, and said agent of the visiting club shall have a right to affix a seal to the register, or box, of such turnstile.

To entitle the visiting club to the payment herein specified, it shall be sufficient for the visiting club to present its nine upon the grounds at the hour appointed, and prepared to play the game in the absence of rain.

SEC. 9. The visiting club shall pay the Umpire of each championship game a fee of five dollars, and shall also pay all expenses incurred in securing the attendance of such Umpire.

SEC. 10. No game shall be played between League clubs before the commencement of the championship series.

SEC. 11. No game shall be played between any League club and any Non-League club or picked nine, upon the grounds of any League club, from the commencement to the completion of the championship series upon such grounds; no game shall be arranged or played between any League and Non-League clubs or picked nines for or upon any "off days" of the championship series, except as above provided, and upon the following express conditions:

1. If a League championship game be prevented by rain or unavoidable accident on the day (not counting Sunday) preceding the day agreed upon for such Non-League or picked nine game, then the latter shall be declared off, so as to allow the League clubs to play the championship game on that day.

2. All such games shall be played under the Playing

Rules of the League, with a League ball to be furnished by the League club.

3. The Non-League club shall pay the League club, for each game actually played, and immediately upon the termination of such game, the sum of one hundred dollars, or one-half the gross receipts of such game, in case the gross receipts shall exceed two hundred dollars; and the Non-League club shall pay the League club fifty dollars in every case where a League club shall present its nine in the city or town of such Non-League club, prepared to play at the time appointed for such game, and the game be prevented by rain, or by any cause other than the refusal by such League club to play such game. In the event of the refusal or failure of any Non-League club to pay the sum, or sums, due, as herein stipulated, the League club shall at once telegraph such fact to the Secretary of the League, who shall forthwith notify all other League clubs, by telegraph, and no League club shall thereafter play such defaulting club until the full amount due be paid the League club, which League club shall, in case of such payment, notify the Secretary, and he the other League clubs, by telegraph.

4. In any case not covered by the first condition specified in this section, a League club having agreed to play a Non-League club upon the grounds of the latter, and failing to present its nine in the city or town of such Non-League club, prepared to play at the time appointed for such game, the League club shall pay the Non-League club the sum of fifty dollars as the penalty of such default.

SEC. 12. A club shall be entitled to forfeited games—to count in its series as games won by a score of nine runs to none—in cases where the umpire in any championship game shall award the game to such club on account of the violation by the contesting club of any playing rule of this League.

SEC. 13. Drawn, tie, and postponed games shall not count in the series as games, but must be played off, if

possible, as provided in Section 4, of this Article. If they cannot be played off as therein provided, they may subsequently be played off if sufficient time exist before the close of the season.

SEC. 14. The club which shall have won the greatest number of games in the championship series, shall be declared the champion club of the United States for the season in which such games were played. In the event that two or more clubs shall have won the same number of games, then the club which shall have lost the smallest number shall be declared the champion.

The emblem of the championship shall be a pennant (of the national colors), to cost not less than one hundred dollars (\$100). It shall be inscribed with the motto, "Champion Base Ball Club of the United States," with the name of the club and the year in which the title was won; and the champion club shall be entitled to fly the pennant until the close of the ensuing season.

SEC. 15. The championship shall be decided in the following manner, namely:

Within twenty-four hours after every match game played for the championship, the home club shall prepare and forward to the Secretary of the League a statement containing the full score of the game, according to the system specified in the "Playing Rules," the date, place where played, and the names of the clubs and umpire: *Provided*, That no tie or drawn game shall be considered "a game" for any purpose, nor shall the score thereof be forwarded to the Secretary, and *Provided* further, that in any case where the Secretary shall not receive the score of a championship game within five days after the playing of such game, the club whose duty it is to forward such score shall pay to the League the sum of ten dollars as the penalty of such default.

At the close of the season, the Secretary shall prepare a tabular statement of the games won and lost by each club, according to the statements so sent him (which statements shall be the sole evidence in the matter), and

submit the same, with the statements so sent him, to the Board, who shall make the award in writing, and report the same to the League at its annual meeting. In making the award the Board shall consider:

1. The tabular statement of the Secretary.
2. Forfeited games.

3. Games participated in by clubs which have withdrawn, disbanded or forfeited their membership without completing their championship series with all other League clubs; such games shall be counted to the following extent, namely: The Board shall ascertain the least number of championship games played by such club with any club remaining in the League, and shall, from the first games participated in during the championship season, by such retired club, count in the series of each League club a similar number of games, and all other games participated in by such retired club shall not be counted in the championship series: *Provided*, That if such retired club shall have failed to play at least one championship game with every League club, all games participated in by it shall be thrown out entirely.

ARTICLE XI.

ANNUAL MEETING.

SECTION 1. The annual meeting of the League shall be held on the first Wednesday after the first Tuesday in December of each year, at twelve o'clock noon, and at such place as shall be determined by vote at the previous annual meeting.

SEC. 2. At such meeting each club shall be entitled to two representatives; but no club shall be permitted to send as a representative any person under contract or engagement as a ball player, and belonging to the nine of such club in said capacity; they shall present a certificate from the President or Secretary of their club, showing their authority to act; but no club shall have more than one vote.

SEC. 3. A representation of a majority of clubs shall constitute a quorum for the transaction of business, but a less number may adjourn from time to time until a quorum is obtained.

SEC. 4. The following shall be the order of business.

1. Reading minutes of last meeting.
2. Report of Board of Directors.
3. Election of new members.
4. Amendment of Constitution.
5. Amendment of Playing Rules.
6. Election of Officers.

with some soft material, and so placed that the center of each shall be upon a separate corner of the infield, the First Base at the right, the Second Base opposite, and the Third Base at the left of the Home Base.

(4) All the Bases must be securely fastened in their positions, and so placed as to be distinctly seen by the Umpire.

Rule 4. The Foul Lines must be drawn in straight lines from the outer corner of the Home Base through the center of the positions of First and Third Bases, to the boundaries of the Ground.

Rule 5. The Pitcher's Lines must be straight lines forming the boundaries of a space of ground, in the infield, six feet long by four feet wide, distant fifty feet from the center of the Home Base, and so placed that the six feet lines would each be two feet distant from and parallel with, a straight line passing through the center of the Home and Second Bases. Each corner of this space must be marked by a flat iron plate or stone, six inches square, fixed in the ground even with the surface.

Rule 6. The Catcher's Lines must be drawn from the outer corner of the Home Base, in continuation of the Foul Lines, straight to the limits of the ground back of the Home Base.

Rule 10. The lines designated in Rules 4, 5,

6, 7, 8, and 9 must be marked with chalk or other suitable material, so as to be distinctly seen by the Umpire. They must all be so marked their entire length, except the Captain's and Player's Lines, which must be so marked for a distance of at least thirty-five yards from the Catcher's Lines.

Rule 27. A **Balk** is

(1) A motion made by the Pitcher to deliver the ball to the bat without delivering it, **except** the ball be accidentally dropped, or

(2) The ball be held by the Pitcher so long as to delay the game unnecessarily, or

(3) Delivered to the bat by the Pitcher when any part of his person is upon ground outside the lines of his position.

Rule 28. A **Foul Balk** is a ball delivered to the bat by the Pitcher by an overhand throw, or by any swing of the arm or hand other than that prescribed in Rule 25.

Rule 29. A **Dead Ball** is a ball delivered to the bat by the Pitcher, that touches the Batsman's bat without being struck at, or any part of the Batsman's person while standing in his position, without being struck at, or any part of the Umpire's person without first passing the Catcher.

Rule 30. A **Fair Hit** is a ball batted by the Batsman, standing in his position, that first touches the ground, the First Base, the Third Base, the person of a player, or any other object, in front of or on either of the Foul Lines, or (*Exception*) batted directly to the ground by the Batsman, standing in his position, that (whether it first touches Foul or Fair Ground) bounds or rolls within the Foul Lines between Home and First or Home and Third Bases without first touching the person of a player.

Rule 31. A **Foul Hit** is a ball batted by the Batsman, standing in his position, that first touches the ground, the person of a player, or any other object, behind either of the Foul Lines, or (*Exception*) batted di-

Rule 32. A Strike is

(1) A ball struck at by the Batsman without it touching his bat, or

(2) A ball legally delivered by the Pitcher at the height called for by the Batsman, and over the Home Base, but not struck at by the Batsman.

Rule 39. Legal, or Legally, signifies as required by these rules.

CLASS V.

THE GAME.

Rule 40. A Game shall consist of nine innings to each contesting nine, except that:

(1) If the side first at bat scores less runs in nine innings than the other side has scored in eight innings, the game shall then terminate.

(2) If the side last at bat in the ninth innings scores the winning run before the third man is out, the game shall then terminate.

(3) If the score be a tie at the end of nine innings to each side, play shall only be continued until the side first at bat shall have scored one or more runs than the other side, in an equal number of innings; or until the other side shall score one more run than the side first at bat.

(4) If the Umpire calls "game" on account of darkness or rain at any time after five innings have been completed by both sides, the score shall be that of the last equal innings played, **unless** the side second at bat shall have scored one or more runs than the side first at bat, in which case the score of the game shall be the total number of runs made.

Rule 41. A Drawn Game shall be declared by the Umpire when he terminates a game, on account of darkness or rain, after five equal innings have been played, if the score at the time is equal on the last even innings played; but (*Exception*) if the side that went second to bat is then at the bat, and has scored the same number of runs as the other side, the Umpire shall declare the game drawn, without regard to the score of the last equal innings.

Rule 42. A Forfeited Game shall be declared by the Umpire, in favor of the Club not in fault, in the following cases:

(1) If the nine of a club fail to appear upon the Field, or, being upon the Field, fail to begin the game, within five minutes after the Umpire has called "Play" at the hour appointed for the beginning of the game.

(2) If, after the game has begun, one side refuses or fails to continue playing, **unless** such game has been suspended or terminated by the Umpire.

(3) If, after play has been suspended by the Umpire,

one side fails to resume playing within five minutes after the Umpire has called "Play."

(4) If the Umpire calls three Foul Balks in one inning, and has warned the Pitcher of the penalty after the second Foul Balk, and before the third is called.

(5) If, in the opinion of the Umpire, any one of these Rules is willfully violated.

Rule 43. "No Game" shall be declared by the Umpire if he shall terminate play, on account of rain or darkness, before five innings on each side are completed.

Rule 44. A Substitute shall not be allowed to take the place of any player in a game, unless such player be disabled in the game then being played, by reason of illness or injury.

Rule 45. The Choice of First Innings shall be determined by the two Captains.

Rule 46. The Umpire must call "Play" at the hour appointed for beginning a game. The game must begin when the Umpire calls "Play." When he calls "Time" play shall be suspended until he calls "Play" again, and during the interim no player shall be put out, base be run, or run be scored. The Umpire shall suspend play only for an accident to himself or a player, or in case rain falls so heavily that the spectators are compelled by the severity of the storm, to seek shelter, in which case he shall note the time of suspension, and should such rain continue to fall thirty minutes thereafter, he shall terminate the game. The Umpire shall also declare every "dead ball," "foul hit," "foul strike," "balk" and "foul balk," and after declaring the second "foul balk" in one inning, shall warn the Pitcher of the penalty prescribed by Rule 42 (4.)

Rule 47. The Batsman, on taking his position, must call for a "high ball," a "low ball," or a "high or low ball," and the Umpire shall notify the Pitcher to deliver the ball as required; such call shall not be changed after the first ball delivered. The Um-

pire shall count and call every "unfair ball" delivered by the Pitcher, and every "foul balk" and "dead ball" if also an "unfair ball," as a "ball;" and he shall also count and call every "strike." Neither a "ball" nor a "strike" shall be called or counted until the ball has passed the Home Base.

Rule 48. The Batsman is out

(1) If he fails to take his position at the bat in his order of batting, unless the error be discovered and the proper Batsman takes his position before a fair hit has been made.

(2) If he fails to take his position within one minute after the Umpire has called for the Batsman.

(3) If he makes a foul hit and the ball be momentarily held by a fielder before touching the ground, or after touching the ground but once, provided it be not caught in a fielder's hat or cap, or touch some object other than the fielder before touching the ground, or before being caught.

(4) If he makes a foul strike.

(5) If he plainly attempts to hinder the Catcher from catching the ball, evidently without effort to make a fair hit.

Rule 49. The Batsman becomes a Base Runner

(1) When he makes a fair hit.

(2) When seven balls have been called by the Umpire.

(3) When three strikes have been declared by the Umpire.

Rule 50. The Base Runner must touch each Base in regular order, viz: First, Second Third, and Home Bases, and when obliged to return, must retouch the base or bases in reverse order. He shall only be considered as holding a base after touching it, and shall then be entitled to hold such base until he has legally touched the next base in order, or has been legally forced to vacate it for a succeeding Base Runner.

Rule 51. The Base-Runner shall be entitled, without being put out, to take one Base, provided he do so on the run, in the following cases:

(1) If, while he was Batsman, the Umpire called seven balls.

(2) If the Umpire awards a succeeding Batsman a base on seven balls, and the Base-Runner is thereby forced to vacate the base held by him.

(3) If the Umpire calls a Balk.

(4) If a ball delivered by the Pitcher pass the Catcher and touch any fence or building within ninety feet of the Home Base.

(5) If he be prevented from making a base by the obstruction of an adversary.

(6) If a Fielder stop or catch a batted ball with his hat or any part of his dress.

(7) If a batted or thrown ball be stopped by any person not engaged in the game, and, in such case, the ball shall not be considered in play until it is held by the Pitcher standing in his position.

Rule 52. The Base Runner shall not have a substitute run for him.

Rule 53. The Base-Runner is out

(1) If, having made a fair hit while Batsman, such fair hit ball be momentarily held by a Fielder, before touching the ground or any object other than a Fielder, provided it be not caught in the Fielder's hat or cap.

(2) If, when the Umpire has declared three strikes on him while Batsman, the third strike ball be momentarily held by a Fielder before touching the ground; provided it be not caught in a Fielder's hat or cap, or touch some object other than a Fielder before being caught.

(3) If, after three strikes or a fair hit, he be touched with the ball in the hand of a Fielder before such Base-Runner touches First Base.

(4) If, after three strikes or a fair hit, the ball be securely held by a Fielder, while touching First Base

with any part of his person, before such Base Runner touches First Base.

(5) If, after three strikes, seven balls, or a fair hit, he fails to *run* to First Base.

(6) If, in running to First Base, he runs inside the Foul Line or more than three feet outside of it, *except* that he must do so if necessary to avoid a Fielder attempting to field a batted ball, and in such case shall not be declared out.

(7) If, in running from First to Second Base, from Second to Third Base, or from Third to Home Base, he runs more than three feet from a direct line between such bases to avoid being touched by the ball, in the hands of a Fielder; *but* in case a Fielder be occupying the Base-Runner's proper path, attempting to field a batted ball, then the Base-Runner shall run out of the path and behind said Fielder, and shall not be declared out for so doing.

(8) If he fails to avoid a Fielder attempting to field a batted ball, in the manner prescribed in (6) and (7) of this Rule, or if he, in any way, obstructs a Fielder, attempting to field a batted ball.

(9) If, at any time while the ball is in play, he be touched by the ball in the hand of a Fielder, unless some part of his person is touching a base he is entitled to occupy, provided the ball be held by the Fielder after touching him; *but (exception as to First Base)* in running to First Base he may over-run said base without being put out for being off said base, after first touching it, provided he returns at once and retouches the base, after which he may be put out as at any other base. If, in overrunning First Base, he also attempts to run to Second Base, he shall forfeit such exemption from being put out.

(10) If, when a Fair or Foul Hit ball is legally caught by a Fielder before it touches the ground, such ball is legally held by a Fielder on the base occupied by the Base Runner when such ball was struck (or the Base-

Runner be touched with the ball in the hand of a Fielder), before he retouches said base after such Fair or Foul Hit Ball was so caught; **provided**, That the Base-Runner shall not be out in such case, if, after the ball was legally caught as above, it be delivered to the bat by the Pitcher before the Fielder holds it on the said base, or touches the Base-Runner with it.

(11) If, when the ball, from a Foul Hit, has struck the ground before being caught, or the Batsman has made a Foul Strike, the Base-Runner fails to retouch the base held by him when the ball was struck, after such ball has been returned to and held by the Pitcher, in which case he may be put out at such base, or by being touched by the ball in the hand of a fielder in the same manner as in running to First Base.

(12) If, when a Batsman becomes a Base-Runner, [*except as provided in Rule 50*], the First Base, or the First and Second Bases, or the First, Second, and Third Bases, be occupied, any Base-Runner so occupying a base shall cease to be entitled to hold it, until the Base-Runner running to First Base is put out, and may be put out at the next base or by being touched by the ball in the hand of a Fielder in the same manner as in running to First Base, at any time before the Base-Runner running to First Base is put out.

(13) If a Fair Hit ball strike him he shall be declared out, and in such case no base shall be run unless forced, and no run be scored.

(14) If, when running to a base or forced to return to a base, he fail to touch the intervening base or bases, if any, in the order prescribed in Rule 49; **provided**, That he shall not be declared out unless the Captain of the fielding side claim such decision before the ball is delivered to the bat by the Pitcher.

(15) If, when the Umpire calls "Play" after any suspension of a game, he fails to return to and touch the base he occupied when "Time" was called, before touching the next base.

Rule 54. The Umpire shall declare the Batsman or Base-Runner out, without waiting for an appeal for such decision, in all cases where such player is put out in accordance with these Rules, *except* as provided in Rule 53, (10), (14) and (15).

Rule 55. When a Dead Ball is declared by the Umpire, no player shall be put out, base be run, or run be scored on such ball, *unless* such ball be also the seventh Unfair Ball, that entitles the striker to a base, in which case the striker shall take First Base, and any Base-Runner thereby forced to vacate a base shall take one base without being put out, and if a base thus taken be the Home Base, the run shall be scored.

Rule 56. One Run shall be scored every time a Base Runner, after having legally touched the first three bases, shall touch the Home Base before three men are put out. If the third man is forced out, or is put out before reaching First Base, a run shall not be scored.

Rule 57. If the Pitcher causes the ball to strike the Batsman, and the Umpire be satisfied that he does it intentionally, he shall fine the Pitcher therefor in a sum not less than Ten Dollars, nor more than Fifty Dollars.

Rule 58. No Player, except the Captain or his assistant, shall address the Umpire concerning any point of play, and any violation of this Rule shall subject the offender to a fine by the Umpire.

CLASS VI.

THE UMPIRE.

Rule 59. The Umpire shall be selected as follows:

(1) Two clubs may, by mutual agreement, select any man to umpire any game or games, provided that such agreement be in writing, and the man so selected agrees

not less than seven days before such game, or the first of such games, to act as such Umpire.

(2) A staff of League Umpires shall be selected in the following manner: Prior to April 1st of each year, each club shall send to the Secretary the names of any persons of good repute and considered competent to act as Umpires. A list of all persons so nominated shall be prepared by the Secretary, and submitted to each club, which shall then select therefrom a number equal to three times the number of clubs then in the League, and shall transmit a list thereof to the Secretary, and the required number having the greatest number of approvals shall constitute the staff of League Umpires.

The Board shall fill any vacancy caused by declinations, and shall appoint an Umpire to replace any that may be objected to in writing by three League clubs after the commencement of the championship season.

(3) In the absence of the agreement provided for in Sec. 1 of this Rule, the Visiting Club shall, not less than five days before any Championship Game, submit by telegraph to the President or Secretary of the Home Club the names of seven League Umpires, none of whom shall reside in the city of the Visiting Club. The Home Club shall then be charged with the duty of producing one of the seven so named upon the grounds in season for the game.

(4) In case the Visiting Club shall have failed to furnish the seven names as provided in Sec. 3, *the Home Club shall select an Umpire for such game*; and in case the Visiting Club shall have furnished the seven names, as provided in Sec. 3, and the Home Club fails to produce one of the Umpires so named, within fifteen minutes before the hour appointed for the game, *the Visiting Club shall select the Umpire*.

Rule 60. The Umpire's Duties, in addition to those specified in the preceding Rules, are

(1) Before the commencement of a Match Game, the Umpire shall see that the rules governing all the materials

of the game are strictly observed. He shall ask the Captain of the Home Club whether there are any special ground rules to be enforced, and, if there are, he shall see that they are duly enforced, provided they do not conflict with any of these Rules. He shall also ascertain whether the fence in the rear of the Catcher's position is distant ninety feet from the Home Base.

(2) The Umpire shall not reverse his decision on any point of play upon the testimony of any player engaged in the game, or upon the testimony of any bystander.

(3) In case the Umpire imposes a fine on a player, or declares a game forfeited, he shall transmit a written notice thereof to the Secretary of the League within twenty-four hours thereafter, and if he shall fail to do so he shall forfeit his position as League Umpire, and shall forever thereafter be ineligible to umpire any League game.

Rule 61. The Umpire shall not be changed during the progress of a Match Game, except for reason of illness or injury, or by the consent of the Captains of the two contesting Nines.

Rule 62. Any League Umpire who shall be convicted of selling, or offering to sell, a game of which he is Umpire, shall, thereupon, be removed from his official capacity, and placed under the same disabilities inflicted on expelled players by the Constitution of the League. (See also Constitution Art. VI, Section 13.)

Rule 63. The Umpire's Jurisdictions and Powers, in addition to those specified in the preceding Rules, are:

The gentleman selected to fill the position of Umpire must keep constantly in mind the fact that upon his sound discretion and promptness in conducting the game, compelling players to observe the spirit as well as the letter of the Rules, and enforcing each and every one of the Rules, largely depends the merit of the game as an exhibition, and the satisfaction of spectators therewith. He must make his decisions distinct and clear, remembering that every spectator is anxious to hear such deci-

sion. He must keep the contesting nines playing constantly from the commencement of the game to its termination, allowing such delays only as are rendered unavoidable by accident, injury, or rain. He must, until the completion of the game, require the players of each side to promptly take their positions in the field as soon as the third hand is put out, and must require the first striker of the opposite side to be in his position at the bat as soon as the Fielders are in their places.

The players of the side "at bat" must occupy the portion of the Field allotted them, subject to the condition that they must speedily vacate any portion thereof that may be in the way of the ball, or any Fielder attempting to catch or field it. The triangular space behind the Home Base is reserved for the exclusive use of the Umpire, Catcher, and Batsman, and the Umpire must prohibit any player of the side "at bat" from crossing the same at any time while the ball is in the hands of or passing between, the Pitcher or Catcher while standing in their positions.

ARTICLE III. Section 7 of the League Constitution makes the League Umpire a member of the League. During the progress of a game he is the sole representative of the League, to see that the game is played and determined solely on its merits, and these Rules invest him with ample powers to accomplish this purpose. In the performance of his duties he must remember that his sole allegiance is due to the League, and that the circumstance of his fees and expenses being paid by the visiting club places him under no obligation whatever to such club. Such expenses are equally borne by all League clubs, taking the season as a whole, hence the visiting club merely acts as Paymaster of the League so far as the Umpire is concerned.

The Umpire is master of the Field from the commencement to the termination of the game, and must compel the players to observe the provisions of all the Playing Rules, and he is hereby invested with authority to order

any player to do or omit to do any act necessary to give force and effect to any and all of such provisions, and power to inflict upon any player disobeying any such order a fine of not less than five nor more than fifty dollars for each offence, and to impose a similar fine upon any player who shall use abusive, threatening, or improper language to the Umpire, audience, or other player, and when the Umpire shall have so punished the player, he shall not have the power to revoke or remit the penalty so inflicted.

The Umpire shall, at once, notify the Captain of the offending player's side of the infliction of any fine herein provided for, and the club to which such player belongs shall, upon receipt of a notice of said fine from the Secretary of the League within ten days transmit the amount of such fine to the Secretary of the League.

CLASS VII.

SCORING.

Rule 64. In Order to Promote Uniformity in Scoring Championship Games, the following instructions, suggestions, and definitions are made for the benefit of scorers of League Clubs, and they are required to make the scores mentioned in Sec. 15, Article X, of the League Constitution in accordance therewith.

Batting.

(1) The first item in the tabulated score, after the player's name and position, shall be the number of times he has been at bat during the game. Any time or times where the player has been sent to base on called balls shall not be included in this column.

(2) In the second column should be set down the runs made by each player.

(3) In the third column should be placed the first base hits made by each player. A base hit should be scored in the following cases: -

When the ball from the bat strikes the ground between the foul lines and out of reach of the fielders.

When a hit is partially or wholly stopped by a fielder in motion; but such player cannot recover himself in time to handle the ball before the striker reaches First Base.

When the ball is hit so sharply to an infielder that he cannot handle it in time to put out a man. In case of doubt over this class of hits, score a base hit and exempt fielder from the charge of an error.

When a ball is hit so slowly toward a Fielder that he cannot handle it in time to put out a man.

(4) In the fourth column should be placed to the credit of each player the total bases made by him off his hits.

Fielding.

(5) The number of opponents put out by each player shall be set down in the fifth column. Where a striker is given out by the Umpire for a foul strike, or because he struck out of his turn, the put-out shall be scored to the Catcher.

(6) The number of times the player assists shall be set down in the sixth column. An assist should be given to each player who handles the ball in a run-out or other play of the kind.

An assist should be given to the Pitcher when a Batsman fails to hit the ball on the third strike.

An assist should be given to the Pitcher in each case where the Batsman is declared out for making a foul strike or striking out of turn.

An assist should be given to a player who makes a play in time to put a runner out, even if the player who should complete the play fails, through no fault of the player assisting.

And generally an assist should be given to each player who handles the ball from the time it leaves the bat until it reaches the player who makes the put-out, or in case of a thrown ball, to each player who throws or

handles it cleanly, and in such a way that a put out results, or would result if no error were made by the receiver.

(7) An error should be given for each mis-play which allows the striker or base-runner to make one or more bases, when perfect play would have insured his being put out. In scoring errors off batted balls, see Section 3 of this Rule.

CLASS VIII.

CONSTRUCTION AND AMENDMENTS.

Rule 65. No Section of these Rules shall be construed as conflicting with or affecting any article of the Constitution of the League.

Rule 66. No Amendment or change of any of these Rules shall be made, except in the manner provided in the Constitution of the League.

SPECIAL MEETING OF THE NATIONAL LEAGUE OF PROFESSIONAL B. B. CLUBS HELD AT THE CATARACT HOUSE, NIAGARA FALLS, N. Y., TUESDAY, MAY 25, A. D. 1880.

Meeting called to order at 3 P. M.

Present:

W. A. Hulbert,	representing Chicago Ball Club.
A. H. Soden,	" Boston B. B. Ass'n.
F. C. Bancroft,	" Worcester " Club.
J. F. Evans,	" Cleveland " Ass'n.
Henry T. Root,	" Providence " "
C. T. Blackburn,	" Cincinnati " "
C. R. DeFreest & E. L. Fursman	" Troy City " "
Jno. B. Sage,	" Buffalo " "

The President stated the object of the meeting to be the consideration of certain charges preferred by the Providence club against the Troy City club, by reason of their failure and refusal to remain in Providence on Monday, May 17, and play a game prevented by rain May 13th. On motion adjourned pending a meeting of the Board of Directors.

Meeting of the Board of Directors called to order at 3:30 P. M.

Present. W. A. Hulbert, Chairman, and Messrs. Soden, Evans, and Sage, Directors.

In relation to the charges preferred by the Providence club against the Troy City club, the Directors report as follows:

The Board acting under the provisions of Section 2, Article 8, of the League Constitution, and after full consideration of the facts and circumstances involved in the dispute between the Providence and Troy City clubs, arising from the failure of the Troy City club to appear on the grounds of the former on the 17th day of May, inst., to play off the championship game prevented by rain on the 13th day of May, inst., find as follows:

1st. That the default of the Troy City club does not amount to a forfeiture of League membership, under the provisions of the League Constitution.

2d. That the claim of the Providence club to a forfeited game, to count in their series as a game won by a score of nine runs to none, as of date May 17th, inst., is not allowed. The forfeiture of a game, as the League Constitution now stands, being limited to an award by an umpire, based upon some violation of the "Playing Rules," which latter, so far as this case is concerned, were not violated by the Troy City club, May 17th inst., not being a day certain agreed upon by both clubs, in the meaning of Section 3, Article 5, of the League Constitution, to which Playing Rule 35 (1) can alone apply.

As to the game which the Providence club claims that the Troy City club should have remained in Providence to play on the 17th day of May, inst., it is hereby ordered that the said game shall be played in Providence on the 23d day of September, prox., or the 1st day of October, prox., as said clubs may agree.

While this report is submitted, as the judgment of the Board of Directors, based upon their construction of the existing laws of the League as applied to the case under consideration, yet this Board cannot refrain from here declaring its unanimous condemnation of the action of the Troy City club, as exhibited by its manager, Mr. Robert Ferguson, in leaving Providence with its first series of games incomplete, and especially without first advising with the officers of his club. It is admitted and stated by the responsible officers of the Troy City club that they deeply deplore the action of its manager on the occasion referred to, and we are assured by them that they desire such legislation to be had as may absolutely prohibit any recurrence of the present controversy, and in view of the complications sure to arise from possible further violations of the letter of Section 3, Article 12, of the League Constitution, the Board recommend such

legislation by the League at its next annual meeting as will more clearly define and effectually enforce those provisions of Section 3, Article 12, of the League Constitution, which relate to the playing off of drawn games, tie games, and games prevented by rain, and they further recommend such present action, by agreement of League clubs, as will tend to insure the prompt playing off of such games during the remainder of the present championship season.

(Signed) W. A. HULBERT, Chairman.

JNO. B. SAGE, }
J. F. EVANS, } Directors.

I dissent from above report so far as it relates to Sections 1 and 2.

(Signed) A. H. SODEN, Director.

SPECIAL MEETING OF THE NATIONAL LEAGUE RE-CONVENED AT 6 P. M.

The Board of Directors submitted their report. H. Doscher of Lansingburg, N. Y., and George Hillyer of New Haven, Conn., were duly elected League Umpires, to fill vacancies. No further business appearing, on motion adjourned.

N. E. YOUNG,
Secretary.

For the purpose of enforcing, during the remainder of the championship season of 1880, the provisions of Sections 3 and 6, of Article 12 of the League Constitution, which provide for the playing off tie or drawn games, or games prevented by rain, the subscribing League clubs pledge themselves: 1st. To vote at the next annual meeting of the League for the expulsion of any club that shall violate said provisions of the League Constitution. 2d. To abstain from playing any League club that shall violate the provisions specified, from the date of such

violation. 3d. To enact such legislation at the next annual meeting of the League, as may be deemed most effectual to enforce the provisions of Section 3, Article 12, of the League Constitution, relating to the playing off of drawn or tie games, or games postponed by rain.

In testimony whereof, the parties hereto have hereunto set their names at Niagara Falls, this 25th day of May, A. D. 1880.
